

Assessments & Behaviour Interventions

FOUNDATION PARENT TRAINING WORKSHOP

ABi would like to invite you to attend one of our upcoming parents and carers training workshops.

The workshop will outline the principles of Applied Behaviour Analysis (ABA), strategies used in the assessment and reduction of challenging behaviours and strategies to increase overall skill development for use at home to support the family.

This workshop is suitable for families of children at preschool, primary school or with higher support needs.

Cost:

Please contact ABi on (02) 9569 770 or email info@abinsw.org.au to discuss cost

Please note: This workshop is not suitable for children to attend.
