

## FOUNDATION WORKSHOPS

### Foundation Parent Training

**FIVE DOCK**

**MIRANDA**

**SEVEN HILLS**

21/03/2018

6pm-9pm

23/03/2018

10am-1pm

20/03/2018

10am-1pm

The Foundation Parent Training workshop introduces parents to the principles of Applied Behaviour Analysis (ABA) which is used to manage behaviours of concern and build skills. These principles include reinforcement, functions of behaviour, prompting and basic behaviour management strategies. This workshop will help parents understand more about ABA programming and help them to work with the behaviour therapists to effectively manage challenging behaviours.

## BUILDING BLOCK WORKSHOPS

### Early Language

**FIVE DOCK**

**MIRANDA**

**SEVEN HILLS**

5/04/2018

10am-12pm

21/02/2018

6pm-8pm

20/02/2018

10am-12pm

In this workshop parents will learn how speech and language develops. We will review methods for encouraging language development when children are not developing typically. This training also looks at language issues specific to children on the autism spectrum such as echolalia, jargon and alternatives to oral speech.

### Motor Skills

**FIVE DOCK**

**MIRANDA**

**SEVEN HILLS**

9/03/2018

10am-12pm

8/03/2018

10am-12pm

5/03/2018

6pm-8pm

In this workshop we will review the development of both fine and gross motor skills. We will investigate some of the unique deviations for children on the spectrum such as toe walking and hand dominance. We also provide parents with the necessary skills to work on these issues in the home environment.

# HOW TO MAKE A BOOKING

To find out more or to register for the workshops or training sessions please contact ABi on (02) 9569 7700 or email [info@abinsw.org.au](mailto:info@abinsw.org.au)

## Foundation Workshops

The foundation parent training workshop introduces parents to the primary parts of an Applied Behaviour Analysis (ABA) program (e.g. reinforcement, functions of behaviour, prompting, basic behaviour management strategies). This workshop will help parents understand more about ABA programming and teach some basic strategies to help manage their child's behaviour and teach their child new skills.

### Cost

Face to Face - \$300  
Extra Attendee - \$100

## Building Block Workshops

These workshops are designed to cover specific topics and build on the foundation parent workshops to help you address your specific concerns. Building block workshops are provided in office and via webinar to participate in flexible training methods.

### Cost

Face to Face - \$200  
Extra Attendee - \$80

## Professional Training

ABi provides basic and advanced professional training workshops. These are designed to assist professionals with managing behaviour in a school or clinical setting. ABi also offers individualised workshops tailored to your specific needs, please contact us to discuss your options.

### Cost

Basic - \$300  
Advanced - \$350

## Face to Face Workshops

The face to face workshops are held in the ABi offices. These interactive workshops provide an excellent opportunity to connect with other parents and to utilise the clinical expertise of your trainer.

## Webinar

For these sessions you will need a computer with internet access. Prior to the webinar you will be sent an email with the link to the webinar. During the webinar you can type in questions throughout the presentation; however, you will be unable to talk. At the end of the webinar you will have an opportunity to arrange a 10 minute phone consultation with the trainer to answer any additional questions you may have.
